Dear Don,

I would like to thank you and your crew for a job well done!

The windows that Al installed look great. My wife loves the look of them and all the detailing that Al did really makes the windows stand out.

Andy and Jeff also did a wonderful job on the siding . Andy really came thru for me when I wanted to make a change on the front of the house . His idea saved me money and came out looking perfect.

They always cleaned up everyday and left the area spotless.

I am more than satisfied with the quality of everyones work and wouldn't hesitate to recommend you to anyone who is having windows or siding done.

Our house looks beautiful!

Sincerely yours,
