Re: New Windows!

Dear Don and Lisa:

We love our new windows! Thanks so much. Our house is remarkably quieter and the wind no longer howls through the hallways. As you told us, the answer to our problems was new windows from My Home Contracting!

We also appreciate the professionalism of your staff and the wonderful job on the installation. We were not inconvenienced in the least. Al arrived right on time in the morning and by mid afternoon, we had our beautiful new windows installed! My wife and I are thrilled with the whole project. We look forward to working with My Home Contracting again in the very near future.

Very truly yours,

George F. Venci Jr.
